SPECIALIZED EXHIBITION STAND

ADVANTAGES

- Large (200 x 90 cm), flat and comfortable top for placing and arranging products;
- Appropriate height of the countertop (80 cm) for the best visibility and presentation of products;
- Front with a large area (200 x 78 cm), suitable for branding;
- Header with a large area (200 x 30 cm) with the possibility of branding and visibility from a distance;
- Large space under the main countertop - an excellent opportunity for arranging packaging and other materials.

DIMENSIONS

- countertop - 200 x 90 cm
- front - 200 x 78 cm
- header - 200 x 30 cm

Height of the countertop level - 80 cm

Height of the header (lower edge) - 200 cm

Depth of the sides - 85 cm

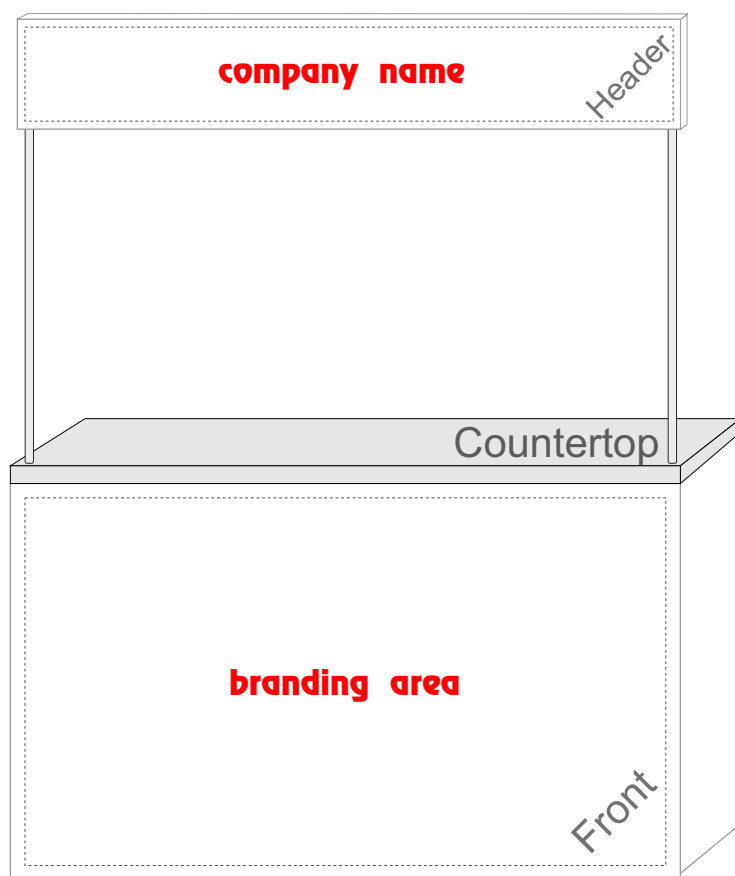

Load capacity of the countertop - 120 - 180 kg

The stand can be ordered with or without branding
